NYPD SHOMRIM

Invites you to ISRAEL

April 23 – May 3, 2012

This will be different than any other previous Israel tour, because:

1. We will experience the unique feeling of Memorial Day and Independence Day of Israel. We will take part in official ceremonies and mingle with the Israelis in their sorrow and joy.
2. We will ride along with the Israeli Police (subject to final confirmation), and visit Police facilities.
3. You asked for it – you get it!
4. Visit the “must see” plus new sites, such as the new 9/11 memorial site near Jerusalem where we will remember the victims in a private memorial ceremony.
5. Weather-wise, April – May are the best. We will enjoy leisure time in the Dead Sea and the Mediterranean Sea.
6. Those who wish may extend their stay beyond the group’s program

**This time our group will be sold out quickly.
